a kiss but taich turned and Matt kissed his cheek. Taich ripped out of Matt's arms and ran into the woods to the stream.
>Matt sat down next to the tree behind him and started to think. *How could I be so stupid? Why did I do that? Now he'll never like me. Should I go find him? Should I apologize? Wow, too many

questions.* Matt stood up, brushed himself off. he looked the way Taich went and strated to walk as he thought some more.
Hmmmnnnn....what should I do? I know, I gotta set this out and think.
>Matt turned and started to run. He came to a clearing, he turned around and saw taich skinny-dipping in the stream. He blushed nd realized he had a bonner. He hunched forward as to try to hide
it and started to run the other way. He found a cave and ducked in right away. Hey unzipped his pants and stared at himself. He zipped his pants and found some brush. He made a bed and sat to take
>a nap.

bla bla bla= What the person is thinking.
>
> As usual, Matt was having a dream about him and Taich having sex.
Matt woke up. He realized he had a wet dream. *Why am I like

>this?* "WHY AM I LIKE THIS?", screamed Matt. All the birds from the
nearby tree flew away. He stood up and looked at his
>fly. *Awwhh, it looks like I pissed myself.* Matt grabbed some of
his brush and tried to dry his pants. He decided to wash all his clothes in the stream.
>Forgetting about Taich he walked to the stream and stripped
down to nothing. He through his clothes in the water and jumped in.

>Like always he was thinking about Taich. Suddenly something came from behind and grabbed Matts butt.
It was Taich!
>
 "Hey! So you....?", Matt tried to finish but Taich pulled him closer
>and kissed him. Taich used his tounge and pried open Matt's mouth. Both their tounges
wrap around each other in a madly rage. Matt threw his arms around
>taich's back and started to rub his back. Taich pulled away not being able to
hold his breath anymore. The edged up to the shore and started to kiss again.
>AMtt pulled away and looked at Taich. He bent down and shoved Tiach;s dick into his mouth.
He started to suck, and suck. Suddenly Taich cummed, filling Matt's mouth. Matt stopped
>to savor the taste. He let it drip from his mouth on to Taich's chest. Taich grabbed Matt and turned him around,
he should his dick into Matt's butt. He started to hump Matt. Matt let out a wild scream and cummed, but this was
>ten times more than when Taich did. Then something rustled in the bushes. Out jumped Sora.
> "Hi! I thought I might go for a swi.....", sor openned her eyes to discover Taich and Matt humping.
They stopped and looked to see Sora. They jumped up and looked at each other.
>
 "It isn't what it.....um...", Taich tried to talk but it wouldn't come out.
>
 "Um...well....what are you doing here?", asked Matt in a frenzy.
>
 "Well, I was going to swim but obviously you guys already started!", Sora started to cry. Tears welded up in
>her eyes and she started to cry her eyes out. Taich ran up to her but Sora pushed him away.
> "I can't believe you, sniff. You picked a boy over me?", asked Sora.
> "A person can't hide their emotions.", Matt jumped in. Sora looked up and
glared at him.
>
 "You made him do this! I knew there was something wrong with you, you freak!", Sora pointed at Matt.
>
 "ME? I DIDN'T MAKE TAICH DO ANYTHING HE DIDN'T WANT TO!", screamed Matt. Sora started to cry
>twice as much as before.

> "Damnit Matt! Look what you did!", shouted Taich.
> "Oh, so now your picking Sora over me? I thought you changed!", Matt shot back. Matt turned and grabbed his clothes,
threw them on. He looked back at Taich trying to cuddle Sora. Taich looked up with
>puppy dog eyes to try to make Matt come back. Matt went into the woods.
> It had been about a month since the mishap you could say, and nobody saw Matt. They told TK
that he had gone on a retreat like during the puppetmon thing. TK understood and prayed everyday
>to try to bring him back.

"Prodigous! Look at the sky!", exclaimed Izzy. ZAP! Suddenly all the digi-destined were where Sora and Taich were. They all looked at each other. Mimi ran to Taich and picked him up. "Wha? Wha- What are you doing?", asked Taich. "Digi-World is cracking up and I am guessing this is our time to go home!", yelled Mimi. "You know, you can be really smart sometimes", proclaimed Izzy. Joe looked at Kari. Woosh, they were gone. POW! Everyone was gone.
